

Photography Workshop: INTRODUCTION TO DIGITAL PHOTOGRAPHY

When: Three Saturday mornings, **Feb. 18 and 25 and March 4, 2017**
8:00 a.m. to noon

Where: Lakes Region Art Association Gallery, Tanger Outlets, Tilton, NH

Description: This program is designed to give you a better understanding of how the selection of F-stops, shutter speeds, ISO settings and white balance affects your final images. Learn about the “exposure triangle,” various shooting modes, depth-of-field, motion blur, photo composition and photo-editing software programs.

Also to be discussed: lenses, camera care, natural and artificial light sources, flash units and studio lighting, light modification and the use of tripods.

A variety of free resources designed to help you take better pictures and become a more creative photographer will be shared.

At the conclusion of the first session, students will be given assignments to choose from and will be asked to shoot a series of photographs applying to the lessons learned in the class. The following week, those images will be viewed and discussed.

Cost: \$75 per person, payable at the door (Credit card or check payable to LRAA).

Contact: To register or for more information, contact Jay Fitzpatrick by email at jall@tds.net or call (603) 455-6595.

Class size is limited to 12 and pre-registration is required by Feb. 11.

Want to take better pictures? Understand your camera and all its settings better? Make art with your camera? This class is for YOU!!
